2018 Catalogue

186,282 Miles per second, the speed of light, the speed of magic.

Light is the medium **Jaryd Niles-Morris** uses for his work.

This Barbadian-born image maker has traveled the globe creating compelling imagery. Jaryd works extensively in commercial photography with a wide range of clients.

The use of photography as a vehicle to express ideas developed into his passion. He plays with visual themes and stories; exploring the patterns and shapes of nature and humanity.
